Sponsor Request Letter

Dear Sponsor,

Thank you for taking the time to read this letter and considering our request for sponsorship. We are the Cy 99 Camp, a newly established football camp from the Rockland County, NY area. The Cy 99 camp was established in memory of Cyrenius Menard who was tragically lost in a car accident in 2022. Our organization was established to keep his memory alive and carry on the dedication and positive mindset that Cy was notorious for. Our camp is dedicated to fostering positive involvement in society through community engagement, instilling the principles of good sportsmanship, and building lasting relationships. Our goal is to provide a constructive and instructive environment for athletes with some of the top coaches including professional level athletes. In addition to high level coaching we offer exposure to recruiters of many colleges on the northern east coast. Donated funds will be used to fund future scholarships and various football camps in Cy's Memory. The athletes that are selected for the scholarships are chosen based on a variety of factors including academic merit and athletic performance. As a sponsor, your contribution will help us continue to provide a healthy and rewarding experience for athletes. We appreciate any level of sponsorship, and all donations are tax-deductible. Please take a moment to review the sponsorship levels and choose the one that best fits your business and budget. Your support is greatly appreciated by the many volunteers who make our organization successful.
